At Brightwater State School, our vision for students who are gifted is to feel valued in a learning environment that both challenges and supports them to pursue excellence and develop a passion for lifelong learning.

### Sci-Fi Sci-Fact
The Sci-Fi Sci-Fact Project is an online learning program delivered by Brightwater State School in partnership with Brisbane School of Distance Education (BSDE). BSDE offers a range of online extension opportunities called UniFY.

### Robotics Exploration
The Robotics Exploration Program is lead by the BWSS eLearning Coach in collaboration with QUT. It encompasses a combination of onsite learning with a competition based outcome.

### Young Creatives
Young Creatives is an offsite program delivered by the Creative Industries Department of Mountain Creek State High School.

### Dance Excellence
The Dance Excellence Program is lead by the BWSS Performing Arts Teacher.

### Media Group
The Brightwater State School Media Project has been developed in collaboration with The Sunshine Coast Daily and is co-ordinated by The Newspapers in Education Director.

### Program Overview
The program provides students with an opportunity to extend knowledge and understandings within the science key learning area. It will also provide a great opportunity to experience online learning including the chance to connect with an online teacher.

Students will explore the areas of Dance, Drama, Music and Visual Art. They will be encouraged to experiment with new concepts, and enjoy Arts activities in a dynamic learning experience with a mix of professional artists and secondary Arts specialist educators.

Students will be selected for the program by audition. Successful students train for 90 minutes weekly in the styles of ballet, contemporary, jazz, hip-hop and musical theatre.

Within roles of reporters, photographers and editors, members of the media group have the opportunity to enrich their literacy skills by developing a newspaper page that will be published in the Sunshine Coast Daily on Tuesday 17th September.
