## School overview

Brightwater State School is an Independent Public School on the Sunshine Coast. This exciting and innovative learning community caters for local students from Prep to Year 6 supported by an actively engaged parent body. Brightwater State School provides high quality 21st Century teaching and learning experiences within digitally rich learning environments. Our motto of: "A bright beginning to life long learning" is enacted each day as staff encourage and guide children to grow and learn to their potential. Whilst our curriculum delivery is contemporary our values are traditional and as a school of high standards our students are taught the importance of using manners, care, compassion and respect on a daily basis. With the implementation of the Australian Curriculum we have a strong teaching focus on the core subjects of English, Mathematics and Science along with the provision of a variety of extra-curricular learning options that enrich student interest in the arts, sports, the environment and technology. We are extremely proud of our school community and look forward to continually improving and striving for excellence in order to achieve happy learners with outstanding results.

### School progress towards goals:

#### Every year Brightwater State School commits to the following:

1. High quality teaching focused on the achievement of every student.
2. Consistent curriculum planning, pedagogical practice, assessment and reporting in order to personalise learning for students.
3. Implementation of 21<sup>st</sup> Century pedagogy through S.T.E.M
4. Instructional leadership with an unrelenting focus on school improvement, building staff capability and improved student outcomes.
5. High levels of student attendance and student engagement with a particular focus on maintaining a safe, supportive and inclusive school culture.
6. High levels of community engagement and confidence in the school.

### 2019 Curriculum Improvement Priorities:

1. Improved outcomes in Reading and Writing for all students
2. Improved outcomes in Numeracy for all students
3. Provision of inclusive learning experiences through Inquiry Based Teaching & Learning

End of 2019 Student Outcomes Targets	Results
90% of students achieving 'C or above' in English	90.6%
95% of students achieving 'C or above' in Maths	93%
98% of students achieving at or above the NMS in reading and writing for NAPLAN	99% for both Yr 3 & Yr 5
98% of students achieving at or above NMS in numeracy for NAPLAN	99% for both Yr 3 & Yr 5

## Characteristics of the student body

### Student enrolments

Table 1: Student enrolments at this school

Enrolment category	2017	2018	2019
Total	977	1055	1074
Girls	494	539	527
Boys	483	516	547
Indigenous	15	23	24
Enrolment continuity (Feb. – Nov.)	95%	96%	97%

Notes:

1. Student counts are based on the Census (August) enrolment collection.
2. Indigenous refers to Aboriginal and Torres Strait Islander people of Australia.
3. [pre-Prep](#) is a kindergarten program for Aboriginal and Torres Strait Islander children, living in 35 Aboriginal and Torres Strait Islander communities, in the year before school.

In 2019, there were no students enrolled in a pre-Prep program.

### Average class sizes

Table 2: Average class size information for each phase of schooling

Phase of schooling	2017	2018	2019
Prep – Year 3	23	24	24
Year 4 – Year 6	25	25	26
Year 7 – Year 10			
Year 11 – Year 12			

Note:

The [class size](#) targets for composite classes are informed by the relevant year level target. Where composite classes exist across cohorts (e.g. year 3/4) the class size targets would be the lower cohort target.

## Curriculum implementation

The P–12 curriculum, assessment and reporting framework specifies the curriculum, assessment and reporting requirements for all Queensland state schools' principals and staff delivering the curriculum from Prep to Year 12. Further information on school implementation of the framework is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/p-12>.

## Extra-curricular activities

Queensland state schools provide a wide range of subjects and extra curricula activities such as sport, art, music and school camps. Further information can be found here <https://www.qld.gov.au/education/schools/information/programs>.

### Co-curricular Activities

A variety of optional and extra-curricular activities and competitions are offered throughout the year. These can be defined as school provided and private tutor activities.

## How information and communication technologies are used to assist learning

Information and communication technologies (ICT) are an important part of contemporary schooling. The Australian Curriculum includes ICTs as a general capability across all learning areas, as well as Digital Technologies as a specific learning area. Further information on models used by schools to assist learning is available at <https://education.qld.gov.au/parents-and-carers/school-information/student-ict-device-programs/one-to-one-models>.

Brightwater State School is equipped with the latest in technology to motivate and engage students in 21<sup>st</sup> Century learning with interactive data projectors, laptops, iPads, digital cameras and robotics. The school is fully networked, and all classrooms have access to the Internet and E-mail. A film suite edit suite and computer lab are available for class lessons.

I Learn 1:1 Student Lap Top Program: This optional program has been established for students in Year 4 – 6. The BYOD program gives students the opportunity to purchase and bring their own laptop to school. The laptop is configured to school specifications and used to connect learning from school to home. Students are taught how to unlock the potential of this device for learning, manage workflow, transport the device and apply cyber-safety behaviours. The school

provides parents with information sessions to provide detailed information about the program and ongoing support workshops so that they can feel confident in managing computer access at home. The program has been extremely successful and has continued to grow in participant numbers each year.

## Social climate

Each Queensland state school develops and enacts policies to support an integrated approach to behaviour, learning and teaching.

Our Student Code of Conduct is our school's behaviour policy, with information about school rules, consequences and processes for addressing bullying and the use of technology. A copy of this is available on our school website.

Further information is also available at <https://www.qld.gov.au/education/schools/health>.

## Parent and community engagement

Our approach to engaging with parents and the community is aligned to the departments Parent and community engagement framework. The framework helps students, schools, parents and the community to work together to maximise student learning and wellbeing. Research shows parent and community engagement that is effectively focused on student learning can deliver powerful outcomes. Further information is available at <https://education.qld.gov.au/parents-and-carers/community-engagement>

## Respectful relationships education programs

Our school has implemented the Respectful relationships education program (RREP) as part of the broad multi-departmental Queensland Government approach to ending domestic and family violence.

The RREP is a Prep to Year 12 prevention program that focuses on influencing behavioural change to build a culture based on equality and respect in our students, staff, parents and wider community, Students are provided opportunities to explore social and emotional learning in self-awareness, self-management, social awareness, relationships, ethics, values, social norms, gender roles, stereotypes, human rights, risk and responsible decision-making. A growing body of evidence shows that social and emotional learning of this nature leads to:

- improved social and emotional skills, self-concept, bonding to school and classroom behaviour
- less disruptive classroom behaviour, aggression, bullying and delinquent acts
- reduced emotional distress such as depression, stress or social withdrawal.

Further information is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/respectful-relationships>

## School disciplinary absences

Table 6: Count of incidents for students recommended for school disciplinary absences at this school

Type of school disciplinary absence	2017	2018	2019
Short suspensions – 1 to 10 days	35	17	15
Long suspensions – 11 to 20 days	1	0	0
Exclusions	0	0	1
Cancellations of enrolment	0	0	0

Note:

School disciplinary absences (SDAs) are absences enforced by a school for student conduct that is prejudicial to the good order and management of the school.

## Environmental footprint

### Reducing this school's environmental footprint

Environmental education has been a feature of Queensland schools for more than 30 years. In many schools it has been creatively and proactively incorporated into the curriculum in each phase of learning, and is also reflected in the school's facilities and in the actions of its principals, teachers and students.

Table 7: Environmental footprint indicators for this school

Utility category	2016–2017	2017–2018	2018–2019
Electricity (kWh)	273,088	277,281	
Water (kL)			12,128.00

Note: Consumption data is compiled from sources including ERM, Ergon, CS Energy reports and utilities data entered into OneSchool\* by schools. The data provides an indication of the consumption trend in each of the utility categories which impact on this school's environmental footprint.

\*OneSchool is the department's comprehensive software suite that schools use to run safe, secure, sustainable and consistent reporting and administrative processes.

## School funding

### School income broken down by funding source

School income, reported by financial year accounting cycle using standardized national methodologies and broken down by funding source is available via the [My School](#) website.

#### How to access our income details

1. Click on the *My School* link <http://www.myschool.edu.au/>.
2. Enter the school name or suburb of the school you wish to search.

The screenshot shows a search interface with a text input field labeled 'Search by school name or suburb'. To the right are three dropdown menus labeled 'School sector', 'School type', and 'State', followed by a magnifying glass search icon.

3. Click on 'View School Profile' of the appropriate school to access the school's profile.

4. Click on 'Finances' and select the appropriate year to view the school financial information.

#### Note:

If you are unable to access the internet, please contact the school for a hard copy of the school's financial information.

## Our staff profile

\*Teaching staff includes School Leaders.

\*\* *Indigenous* refers to Aboriginal and Torres Strait Islander people of Australia.

#### Qualification of all teachers

The Queensland College of Teachers (QCT) is responsible for ensuring that teaching in Queensland schools is performed by an appropriately qualified person, that has successfully completed either -

(a) a four-year initial teacher education program including teacher education studies of at least one year (e.g. a Bachelor of Education, or a double Bachelor degree in Science and Teaching) or

(b) a one-year graduate initial teacher education program following a degree (e.g. a one-year Graduate Diploma of Education (Secondary) after a three-year Bachelor degree) or

(c) another course of teacher education that the QCT is reasonably satisfied is the equivalent of (a) or (b). These are considered on a case-by-case basis.

For more information, please refer to the following links
